

## 100ARi50MTL

## **Linear Drain**

The 100ARi50MTL is a linear drainage system providing a solution for minimum stepdown requirement of 50mm in doorways.

Manufactured from sustainably sourced 316 marine grade stainless steel for durability, hygiene and luxurious visual appeal. This drainage is made to specified length with specified outlet position, featuring Stormtech's premium Architectural Grate (2mm wire/2.5mm gap).

Please be aware that for a pool installation or installation environment close to a surf beach, you may need to have your stainless steel grates electropolished.
